## Cranbourne ... A safe bet

Star News Group has a strong connection with the City of Casey twins of Cranbourne, Hampton Park and the City's coastal towns.

First settled in 1836, the region has strong agricultural roots. Cranbourne is characterised by rapidly growing residential developments and the modern Cranbourne Shopping Centre, however it is perhaps best known for Cranbourne Racecourse and as the home of the Cranbourne Cup.

The City of Casey is located in one of the fastest growing corridors in Australia, with more than 50 new households established each week in this vibrant section of Victoria. Many new neighbourhood shopping centres have been built in recent years catering for community needs.
