Greater Dandenong ... Open for business

Greater Dandenong is a region of economic opportunity, with easy access via major freeways and highways a major factor in attracting residents and tourists. The State Government has invested \$300 million into revitalising central Dandenong to become a satellite city to Melbourne, attracting visitors from as far away as Gippsland.

One of Melbourne's oldest and most respected newspapers, the Dandenong Star Journal has been chronicling in words and pictures the history of Dandenong and the surrounding region since 1865.

Greater Dandenong is already attracting hundreds of millions of dollars of private investment under the watchful eye of Vic Urban, in order for it to become a destination not only in Melbourne's east, but across the state.
